

K-Love is a very important part of my radio listening. I am a teacher, and I am able to listen to the radio on my way to school and get the important national news as well as the nice Christian music on my way to school. I enjoy the music, because it helps set the tone for my day before I start teaching the children. There are all types of music styles available, but this is one that ministers to many Christians in our community. Not everyone supports and appreciates Christian music, but those of us who do, need this daily! I appreciate the fact that there are a wide variety of listening audiences, and I also appreciate this station is a very important one for those of us who choose to listen to Christian radio. Please don't take this away from our community. Many, many people enjoy this radio station, and it can't be replaced.

Sincerely,
Stephanie Idle
